

SEALED BID SALE

Court Ordered Sale of Unused **THERMATOOL PIPE AUSTENITIZING & TEMPERING LINE COMPONENTS**

This line was purchased new from Thermatool in 2015 by a large South American steel pipe manufacturer for heat treatment of upset oilfield tubing. The line was built and export crated in December of 2015. Due to extended financial difficulties by the purchasing entity, this line is being liquidated under the authority of the court.

The line consists of **UNUSED:**

**Thermatool "VIP" Induction Power Supplies • 3/60/480V Transformers
Heater Coils • Cooling Pumps • Heat Exchangers • Large Lot of Transfer Conveyors**

PMI has been instructed to sell it all **as one entire package** via the sealed bid process. Please read the required Sealed Bid Form for more details.
