Welcome to the Mike Welu Complete Registered Holstein Dispersal Auction.

We hope you are able to make several selections from this nice set of young well uddered cows as well as a great group of bred and open heifers with pedigrees including icons of the industry. Sale offering is timed perfectly for prospective buyers with many recently fresh and with several due soon after sale time.

In the spring of 2008, my friend John asked what I was planning to do on June 14. "I dunno," I replied. "You are going to a cow sale," he said. "I am?" I asked. "Yes you are," he replied. And you're gonna buy a cow," he said. "I am?" I asked. "Yes you are," he again replied. The sale was the complete dispersal of Mi-Ro-Ze Holsteins. When it was time to start selling cows, they sold what I am sure was an average cow, something for the people walking around to hear, so they would come see what was happening in the sale ring. After the first cow sold, they sold her 30-day old calf. I bought the calf for \$950.00. Her name was Sara. Sara and her dam were an insignificant part of the sale. The high animal sold for \$18,000.00, with 6 over \$6,000.00, and a 2-month old calf for \$3,000.00. Only one calf sold for less than Sara. Immediately I was asked if I planned to show Sara. I said no, she was born on May 15, and she would compete with March calves and be too small. Cody fell in love with Sara right away, and Jenny did take her to the fair. She was in heat on show day, and was junior champion (Redwood County Fair). At the State Fair, she tried to eat the ribbons on the tables in the coliseum. Later she would be 6th place registered 3-year old at the State Fair 4-H show. She ended up being the highest scoring animal ever with a Mi-Ro-Ze prefix at 93 points. She was also the top lifetime production cow in Redwood County. Easily my favorite cow of all time, and looking back, arguably the best animal at the sale in which she was second low seller. She had style, and she had attitude. When she was 9, the classified said she looked like she was only 6. On my sale, Sara has 3 IVF daughters by Doorman, one daughter by Gold Chip, and a springing heifer daughter by Beemer. She has granddaughters by Kenosha, Excalibur, Diamondback, and Doc. She has great-granddaughters by Excalibur and Undenied. Her daughters are aggressive, like the dam, they have style, and the Doorman daughters have production indexes of 105, 106, and 111. Stacy is my favorite cow in the barn today, and she has a daughter by Excalibur. It would be a logical conclusion that owning one of Sara's offspring would be a very good idea. But also remember that I went to a complete dispersal and bought a calf that nobody took a second look at, and she ended up being the best I ever had. So maybe one of my young, seemingly insignificant calves will turn out to be your best cow ever. Maybe one of my seemingly insignificant cows will give birth to the best cow you ever had. Thank you for considering giving my animals a new place to reach their potential. I wish you luck in all your endeavors in this great dairy industry.

Please pay close attention to statements made from the auction block as to updated breeding, freshening and production information. All registration papers will be transferred by sellers, so please give complete information to our clerks so papers can be transferred correctly. All purchases must be settled for within 15 minutes of conclusion of auction. If you will be leaving animals beyond today, please alert owners or sales staff so arrangements can be made.

Thank you for attending today's auction and thank you for your interest in our cattle.

Sincerely,

*Mike Welu
