## 126 Head of Outstanding Official DHIA Registered Holsteins will Sell Under Cover

**NOTE:** Mid-American Auction Co. is excited to present the Jeff and Korinna Rohde's high quality registered Holstein dispersion. The Rohdes have been selectively breeding this outstanding herd for 35 years constantly striving to produce functional females with pedigree and production today's progressive dairymen and women demand. This herd has been on official testing since 1986 with current official DHIA records indicating a herd average of 2X 25,054 milk, 3.92% 974 fat and 3.04% 779 protein, 88 pound tank average from beautiful udders, SCC currently at an amazing 66,000. Individuals milking up to 140 pounds with 15 averaging over 100 pounds per day. Cows are milked in a tie-stall facility and are let out daily. All cows are accustomed to head locks and free stalls with most cows being switched at various times allowing easy transition to a free stall facility. This herd has been exclusively artificially bred for many years with careful sire selection directed towards feet, legs, overall dairy composition, and of course production. Jeff and Korinna have received 10 Progressive Genetics Herd Awards indicating their direction toward cutting edge genetics. Leading sires and service sires include, but not limited to: Hashtag, Wiggins, Frazzled, Phantom, Zamboni, Huey, Silver, Supersire, Bourbon, Sexed Poole, Sexed Go Fast Red, Sexed Dynamo, and the list goes on. This herd has produced multiple excellent and VG good cows along with notable dams of merit. An aggressive herd health program has been in place for many years with services provided by MN Veterinarian Associates. Complete vaccination program, excellent dry cow program including: J-Vac, Orbeseal and Guardian. Hooves trimmed regularly. The herd has been classified regularly with latest classification finding 4 Excellents, 22 VG and 29 Good Plus cows. BAA is an impressive 106.6. Along with traditional Black & Whites, we offer a good representation of Red & Whites and Red Carriers from young heifers to 4 mature milking cows. If you are in need of hard-to-find, high quality, farm fresh herd replacements of project heifers, we strongly urge you to mark this date on your calendar and make plans today to attend the once-in-a-lifetime Rohde dairy dispersion.
